**The Essential Bits**

We're delighted you'd like to join Crib Notes Choir and we look forward to singing with you! Below are the essential details about membership. Please also read the Full Terms and Conditions attached in this email and get in touch before you sign if you have any questions.

**About us:**

Crib Notes Choir is a choir created especially for parents and those regularly in loco parentis. We welcome people of all backgrounds and identities; parents, including foster and adoptive parents, grandparents, carers of young children, nannies, au pairs and anyone else regularly caring for young children, including parents whose children are at school. Little ones are welcome to come to the sessions.

We believe that singing should be for everyone and our sessions are designed to be open to anyone who wants to sing in a choir, encouraging fun, development, confidence-building, and flexible to work around the needs of the little ones in the room.

We aim to create a supportive and community-orientated space where everyone feels comfortable to participate in their own way. We encourage respect for each other, no judgement on ability, and space for different learning styles.

If you have any access needs or adjustment needs that would help you take part please let us know and we'll do our best to support you.
